# HOW WE'RE DOING THIS

**RENAISSANCE**, through **CONFERENCES**, **COLLECTIVES** and **COURSES**, is invested in seeing the local church globally become the most creative place on earth and a generation outwork their creativity in the image of God.

## ✦ **CONFERENCES**

Two days of inspiration, worship, ideas, creativity, imagination, encounter and fun.

## ✦ **COLLECTIVES**

Creative gatherings that meet regularly, incubating creativity and enabling cross-pollination of creative industries.

## ✦ **COURSES**

Training that fosters entrepreneurship, ideation and collaboration and equips creatives to change the world one (or 10!) ideas at a time.

# OUR STORY

Birthered out of SAINT in East London, this adventure began out of the pandemic in 2021 when a bunch of friends got together and had 24 hours of mind-blowing fun.

We danced, we laughed, we prayed, we cried, we sang karaoke and held our breath as strings played new symphonies. We did wild-baking, honey-making, mind-blowing leadership training and late-night secret-gig gazing.

In 2022, we launched our first full conference and were overwhelmed by the response. So far over 75 churches across the world have already expressed an interest in jumping on board with the **RENAISSANCE MOVEMENT**.

Contributors have included: Es Devlin OBE, Jon Tyson, Upperroom, Erwin McManus, Ije Nwokorie (Apple), Amanda Cook, David Gardner OBE, Jen Jamie (Google), Slider Cuts, Leroy Logan MBE & Lakwena.

We can't wait to see what God does next and we hope you will join us on this adventure.

You can become a patron to catalyse the transformation of culture and human flourishing for the next generation.

# WHAT PEOPLE ARE SAYING ABOUT RENAISSANCE...

"We need a generation of creative thinkers and church leaders who will help solve the greatest challenges we face. Renaissance is a game-changer for anyone wanting to learn to think outside the box, make an impact and change the world."

**SCOTT HARRISON,  
CHARITY WATER**

"Pippa and I have known Al Gordon for over 20 years and have seen first-hand the impact he has had through SAINT church, Worship Central and initiatives like the Alpha Film Series. Now Al and the team behind Renaissance are seeking to equip creative leaders around the world. We are cheering them on."

**NICKY & PIPPA GUMBEL,  
ALPHA INTERNATIONAL**

"As a leader in this chaotic, cantankerous, anxious world, Renaissance is a necessary, refreshing tonic. It's program is a redemptive call to a form of creative leadership that is anchored in the realities of our times, and yet focused on a healthy agenda to make the world a better place."

**IJE NWOKORIE,  
APPLE**

"In a disenchanted world littered with dead religious imagery, no task matters more than the re-animation of a truly Christian imagination. How else are we to provoke the great questions to which Christ is the answer, and the answers to which he remains the greatest question? Renaissance promises to catalyse, connect and resource a new generation of creative pioneers with a message of disruptive hope."

**PETE GREIG,  
24-7 PRAYER + EMMAUS RD**

"In a world where creativity shapes so much of our thinking and initiates conversation, Renaissance is a unique offering and a breath of fresh air. For both creatives and church leaders alike, it offers the opportunity for connection, inspiration and diversity. Having attended this year, I'm so excited to see how the conference will continue to grow and impact lives in the years to come."

**RUTH YIMIKA AFOLABI,  
MAGNIFY**

"I'm seeing hundreds of young creatives drawn by the culture of the event with the gospel of Christ. It is incredibly exciting to see the inspiration for entrepreneurs, creatives and innovators being challenged by what faith looks like in this context, how to strengthen who they are to also do God's calling and equipping them to go out and continue the cycle of growth for the church beyond its walls... growing it beyond London is mission critical."
